Total Control Over **The Unexpected**

-  Compliance Management
-  Facility Management
-  Remote Monitoring
-  Electronic Documentation
-  Employee Training
-  **24/7 Response Management**
-  Petroleum Field Services

Defer liability to ECS Eclipse, with peace-of-mind protection - 24/7. Fuzion is always on, as a constant monitoring service of your entire petroleum operation. If the unexpected occurs, ECS Eclipse takes fast action, managing the entire response operation. Fuzion 24/7 Response Management gives you total control, while eliminating risk.

When the unexpected happens, you need a plan.

Is it reportable? How do you clean it up? What do you do next?

No need to worry. ECS Eclipse offers a fully staffed, 24x7 Operations Center ready to take over your spill response needs. Our trained Response Management Coordinators ensure your spill is handled quickly and correctly.

ecseclipse

The petroleum industry leader for compliance and fuel management.
